Dear Perspective, Past or Current members and Organizations, listed on
www.stjohnsville.com or www.mohawkvalleyvillages.com

All successful businesses need and want a popular local and established website to advertise their message right now! Your AD on one or more of our websites will create a superior and dependable business exposure with NO MEETINGS to attend and NO POLITICS at a very fair and money saving low cost.

The original www.stjohnsville.com website was created in 1998 as an important and much needed unique advertising addition to the St. Johnsville Chamber of Commerce. The immediate result was a sharp increase in new Chamber memberships. The new site brought needed attention and awareness for the member businesses of the Town and Village of Saint Johnsville and for the very first time to the World Wide Web. Throughout the years we have expanded the St. Johnsville website and are now independent of the Chamber. By popular demand we have even added more websites that include more businesses and information located around and along the Mohawk Valley. We also include information about our local Governments, Schools, Churches, Fire Department etc. Our web members have enjoyed and benefited from the superior coverage and very high hit rate on these websites, that continues to grow each year. The more times your business name is displayed the web, on different websites, the better the chance a Potential Customer or Client has of locating your Business at the top or near the top of an Internet Goggle Search. We frequently submit all our sites for an updated inclusion to Search Engines Indexes. As an example when you search for "St.Johnsville or Mohawk Valley on a search engine, our site is usually at the top of the list.

A new or a renewal AD of your business on www.stjohnsville.com or www.mohawkvalleyvillages.com is only \$30 a year. That's for 365 days! (about 12 cents a day!) A similar ad in any local ad-supported publication, will cost you as much or more and will be shown locally only once! *And you thought you would never get a great deal for your advertising dollar!* If your AD is currently on our website and you do not want to renew your advertisement at this time, your current listing will be left as is for a short while before being removed to make room for other businesses.

You may want to continue to run your renewed ad as you originally created it, or you might want to modify and update it using the attached sheet. If you are renewing now without any modification, you do not even need to completely fill out the enclosed forms. Just send your \$30. check made out to "HEZEL" and mail to:
